Meriden Elks Annual Golf Tournament Raffle Donation

Saturday, October 4, 2025 at Southington Country Club

The Benevolent and Protective Order of Elks, Meriden Lodge #35 continues to invest in the community through programs to help children, adults and Veterans. The Meriden community is our mission and we have proudly donated over \$150,000 along with countless volunteer hours over the past five years. One of our largest fundraising events is the Annual Golf Tournament.

Each year, the event raises funds to support community projects which include youth programs and awards such as scholarships, Hoop Shoot, Soccer Shoot, and Scout troops. We also contribute to adult and family programs through donations and service to organizations such as High Hopes - a home for mentally and physically challenged children, Shelter Now, Meriden Back to School Expo, Meriden Police Cadets, Nerden RTC Camp, Meriden Boys & Girls Club, Meriden Soup Kitchen, Meriden Humane Society, our United States Military Veterans and the Meriden Antique Veterans, as well as our Connecticut Elks state major projects, Connecticut Children's Medical Center and Special Olympics of CT.

Sponsors and donations are the primary source of funds raised by the Meriden Elks Golf Tournament. We sincerely appreciate your consideration for supporting this important event that supports so many within the Meriden community.

Your raffle donation will help raise necessary funds for the Meriden Elks to continue to support these worthwhile community programs. We appreciate your consideration and support.

Raffle prize donated and estimated value:

Company/Individual Name: _____

Email address: _____ **Phone #:** _____

**Donations can be dropped off at the Lodge or provided to a committee member
